Project overview:

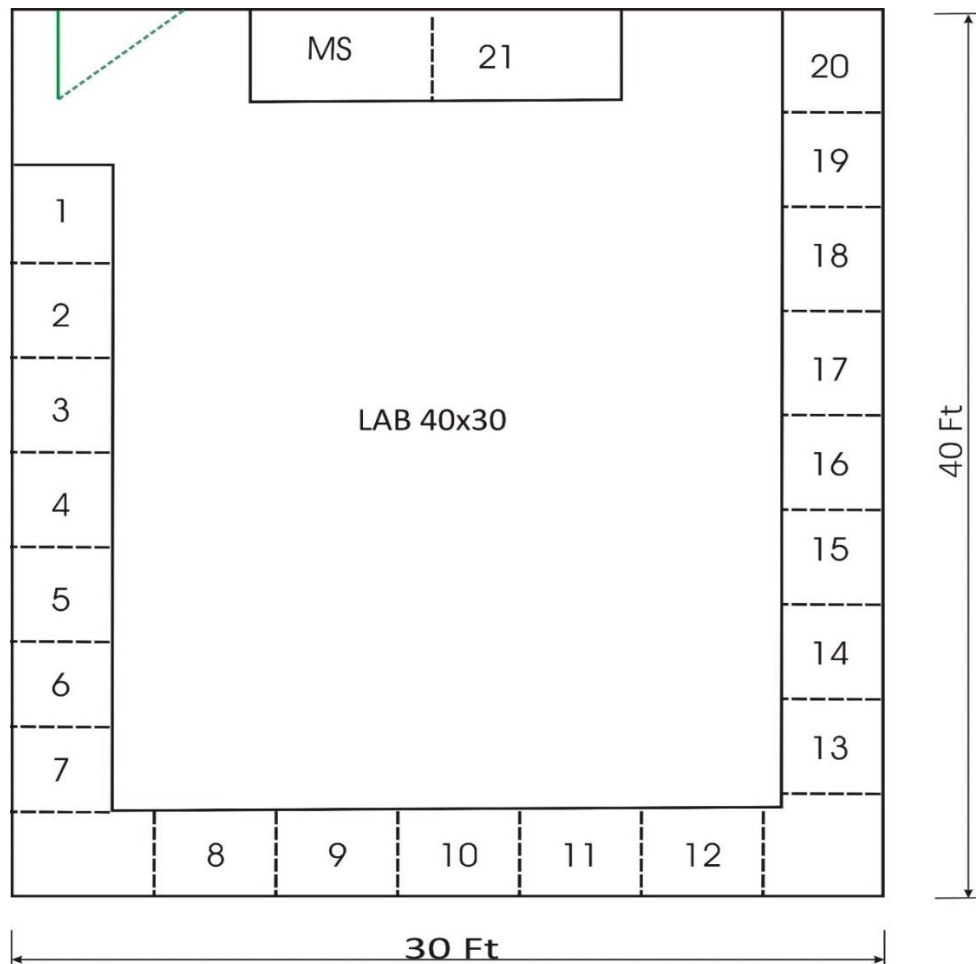

We Rotary district 3231 compiles Six revenue district and has a population of over 2 Million. As of 2020 there are more than 100 Government schools around Vellore district. Gudiyatham town has 16 Government Schools and more than 30000 students were studying, to improve the standard of their education with proper computer labs, Rotary district 3231 and Rotary club of Gudiyatham has identified and decided to provide fully functional computer lab to Government Schools in Gudiyattam. The primary Goals of our project is to provide computer knowledge to the students, now a days it is important to study and learn about computer technologies in this digital world. A complete lab setup with Computers

printers with furnitures and software's like MS office C C++ and other programming software's will be installed. A short training will be given to the teachers will also be given. This project supports students to learn better and gain knowledge in this computerized world.

Beneficiaries of the project & Cooperative Organization:

- More than 1000 School Students of **Government Higher Secondary Schools in Nadupet, Gudiyatham** (every year).
- More than 1000 School Students of **Municipal Higher Secondary School, Gudiyatham** (every year).

Sample lab floor drawing of Gudiyattam Government college

Floor size 40x30 Ft

MS - main System 22 systems with UPS and Network printer
