Rotary Club of Coimbatore Texcity

Project : Rotary Texcity “pO2” Breathing Life

pO2 is a planned Rotary Global Grant Project from Texcity , Coimbatore . It is Project of Donating an

PSi O2 Oxygen Concentrator of 500 LPM

capacity as a Single Standalone Sturdy Fixed unit to Provide continuous flow of O2 @ the rate of 5 LPM / patient which will serve 100 beds at a given time .However , if the O2 is fed @ the rate of 10 LPM to the patient , then it will serve 50 beds at given point of time. This is also a unit with high flow & high pressure capacity .It has a Psi of 4 bar , so it can drive the Ventilator on its own without an aid of Compressor .

The “ **Need of the Hour** “ is the motto at our Texcity Club . **ESI a Government run 1000 bedded Medical college attached Hospital** , which has a new block with 400 beds built according to MCI compliance. This Covid 2nd wave has taken many precious lives , even young persons have died due to lack of O2.

As the wave is making a Havoc, it is also estimated a 3rd wave to hit a few months time, which can affect even younger generation like Children. Many lives can be saved using this plant , getting Installed at the Premier Medical College Hospital. This unit will have a trouble free, self-maintaining capacity for 15 years. ESI has allocated an area close the New block to install the Oxygen Plant With O2 running @ 10 LPM , it can save 50 patients lives in 5-6 days , which can come to about 250 patients lives saved in a month.

We are planning to get the Installation work started as soon as possible , & hope to be functional by the last week of June 2021.It is estimated 6-8 weeks for Full Installation to be done & completed

The total budget for the Project is

Rs 99,96,190.00/- (\$1,33,283/-)

We are hoping to generate the following funds-

The financials are as follows

1.Total cost - **Rs. 99,96,225 (133283 USD)**

2.Contribution from RCC Texcity **Rs. 49,50,000 - (66000USD)**

3.Funds to be raised **Rs. 50,46,225 - (67283 USD)**

Suppliers Proposal

Sub: Quotation for Pressure Swing Absorption Oxygen Plant (PSA)

Dear Sir,

Please find below the quote for **Pressure Swing Absorption Oxygen Plant (PSA - OXC 480)** suitable for Medical application with 92% - 95% Oxygen purity. The quotation includes Air Screw Compressor, PSA Oxygen Generator & required accessories.

S.No	Product	Qty	Price	GST	Tax Amt	Amount (INR)
1	Pressure Swing Absorption (PSA) Oxygen Plant (2-5.5 bar Pressure) OXC-480	1	78,50,000.00	12%	9,42,000.00	87,92,000.00
2	Supply of Pipes & plumbing charges	1	7,85,000.00	18%	1,41,300.00	9,26,300.00
3	Transportation, Installation & Commissioning Charges	1	2,35,500.00	18%	42,390.00	2,77,890.00
Amount in Words : Rs. Ninety nine lakhs ninety six thousand one hundred and ninety only					TOTAL	99,96,190.00

Terms & Conditions :

- Delivery : 45-60 days from date of payment
- Payment : 70% against PO & 25% on delivery & 5% after Installation
- The Civil & Electrical panel is under hospital scope.
- Warranty: 1 Year from the date of installation.
- Comprehensive AMC for 2 nd Year included
- Quote Validity upto 21.05.21

Bank Details :

- Acct Name : FARADAY OZONE PRODUCTS PVT LTD
