GOVERNMENT**

1. SUBJECT:

ROTARY GLOBAL GRANT #GG2238328, LUWERERE COMMUNITY,
AGRICULTURE SKILLING PROJECT, IN BUWERERE VILLAGE BUKATUBE
SUB-COUNTY, MAYUGE DISTRICT IN BUSOGA, UGANDA DISTRICT LOCAL
GOVERNMENT RESPONSIBILITIES

PROJECT OBJECTIVES:

The overall objective of the project is in accordance with the Uganda Government Agricultural policy of increasing food production so as to attain sustainable food security among the local communities.

In this project we plan to increase food production through diversification of the present farming system, use of modern farming techniques, apply land consolidation methods, use of machinery and implements, use of fertilizers and better farming methods that conserve the soil, and use of draught resistant seeds, so as to attain sustainable food security and income for the project and families in the community, while making it possible for us to achieve our goal of providing education and basic needs to deaf children.

THE DISTRICT WILL DO THE FOLLOWING:

TO AVAIL AGRICULTURE EXTENSIONAL OFFICERS TO HELP ARISE AFRICA INTERNATIONAL AND LUWERERE COMMUNITY ACHIEVE THE ABOVE PLANS BY;

1. Training Arise Africa International project staff to use the tractor and its implements, learn to maintain it, learn fertilizer application, improved seeds, learn modern farming methods that will increase the production of crops for food and income to meet the needs of the deaf children, and other children in the children center.
2. To train Arise Africa project staff to develop a system of effectively using a tractor with 200 farmers to achieve food production and income.
3. Train Arise Africa project staff to know about use of fertilizer and draught resistant seeds, timely seed procurement and distribute them to the farmers as needed.
