**Your school**  
EPISD

### my school

- visible signs of disorder and cleanliness and neglect, can encourage further anti-social behavior in an area, as they signal a lack of order and discipline (Broken Windows Theory)

### what we want

education the engine of social transformation

Sergio Fajardo Medellin's mayor plummeted homicide rates from 400 to 31 per 100,000 by making education his flagship program "the best for the most needed"

- Enhance school
- Change in mindset

**Instead of :**

**WE WANT :**

# #DIGNIFYING EDUCATION

for unprivileged children

## The project:

---

- **Build a Playground and eating area for Kids.**
- **Enhance classrooms to meet functional conditions for teaching and learning.**
- **Acquire new schooling furniture for all 13 classrooms.**
- **Provide teachers with school supplies and resources**
- **Acquire IT equipment to enable teachers and students to have access to technology and internet.**
- **Train teachers, students, administrators and parents under the 5's japanese quality method to:**
  - **Impact on students academic results**
  - **Increase student motivation**
  - **Improve learners, sense of belonging and ownership**
  - **Promote sustainability**
  - **Promote environmental awareness**

**“Education is the most powerful weapon which you can use to change the world.” –Nelson Mandela.**
