6. IS THE COMMUNITY INVOLVED ? DESCRIBE THE ROLE OF THE LOCAL COMMUNITY IN PROJECT IMPLEMENTATION AND CONTINUITY

Through an experiential methodology, the community participated in the construction of the project based on their needs. And for this, a 5-hour work session was held where the following questions were developed: what?, when?, how much?, who?, why?, what for?, and how? of the project for the construction of nurseries and pregnant mothers. And as a conclusion of this session, we arrived at the official proposal to carry out this project.
